

## 24" x 36" A-FRAME SIGN

All text and image(s) need to be inside the yellow safety box, to avoid from being covered by the A-Frame stand.

If your design requires printing to the edge (called a bleed), you must extend your artwork to the edge of the red box. Anything in the red box will be cut off.

When design is complete, save your file in the following formats:  
High resolution PDF, AI

bleed →  
trim →
